COMEDY & MUSIC

# THE CONCERT BECAME NOT CONCERT

Fusing Argentine and Peruvian customs, a Clown, juggling, and live music show arises, with its main spice; complicity with the public.

Leaving the word behind, this duo improvises to the rhythm of the music and, between skills and surprises, invites you to laugh and reflect.

The Latin Duo company was born in 2012. Founded by its great career interpreters, Caterina Stefanoff and Rodrigo Möller, it permanently participates in festivals, theaters and open-air spaces in more than 15 countries in Latin America, Mexico and Europe with an impact prominent from the public.
